

# Sometimes... taking out a loan can be a Financial Gamble.

## Help play it safe!

Thinking about taking out a loan to make home improvements or buy a vehicle? It can be a financial gamble, because life happens. You're betting

you can pay back your loan and you won't lose your job (due to no fault of your own), or become disabled (due to injury or illness), or pass away—leaving your family responsible for your loan balance.

Member Debt Protection\* is a voluntary loan-payment protection product that helps preserve your family's standard of living and gives you relief from financial burdens if a protected life event such as disability, loss of life, or involuntary employment happens to you.
